

Find the small yellow obtuse angled scalene triangle.

Find the medium yellow obtuse angled scalene triangle.

Find the large yellow obtuse angled scalene triangle.

Find the small red obtuse angled scalene triangle.

Find the medium red obtuse angled scalene triangle.

Find the large red obtuse angled scalene triangle.

Find the small blue obtuse angled scalene triangle.

Find the medium blue obtuse angled scalene triangle.

Find the large blue obtuse angled scalene triangle.

Find the small yellow obtuse angled isosceles triangle.

Find the medium yellow obtuse angled isosceles triangle.

Find the large yellow obtuse angled isosceles triangle.

Find the small red obtuse angled isosceles triangle.

Find the medium red obtuse angled isosceles triangle.

Find the large red obtuse angled isosceles triangle.

Find the small blue obtuse angled isosceles triangle.

Find the medium blue obtuse angled isosceles triangle.

Find the large blue obtuse angled isosceles triangle.

Find the small yellow right angled scalene triangle.

Find the medium yellow right angled scalene triangle.

Find the large yellow right angled scalene triangle.

Find the small red right angled scalene triangle.

Find the medium red right angled scalene triangle.

Find the large red right angled scalene triangle.

Find the small blue right angled scalene triangle.

Find the medium blue right angled scalene triangle.

Find the large blue right angled scalene triangle.

Find the small yellow acute angled scalene triangle.

Find the medium yellow acute angled scalene triangle.

Find the large yellow acute angled scalene triangle.

Find the small red acute angled scalene triangle.

Find the medium red acute angled scalene triangle.

Find the large red acute angled scalene triangle.

Find the small blue acute angled scalene triangle.

Find the medium blue acute angled scalene triangle.

Find the large blue acute angled scalene triangle.

Find the small yellow acute angled isosceles triangle.

Find the medium yellow acute angled isosceles triangle.

Find the large yellow acute angled isosceles triangle.

Find the small red acute angled isosceles triangle.

Find the medium red acute angled isosceles triangle.

Find the large red acute angled isosceles triangle.

Find the small blue acute angled isosceles triangle.

Find the medium blue acute angled isosceles triangle.

Find the large blue acute angled isosceles triangle.
