

What's Missing?

What's Missing?

Directions:

- Cut the fish cards out and the two sets of answer cards.
- Laminate so that each fish card has the correct answer card on its back. These will be used as the control check.
- Laminate each of the second set of answer cards.
- To play: Match each fish card to an answer card.
When completed, turn the fish card over to see if it matches the answer card.
